Mr. B:

25X1A As the 9:00 briefing tomorrow. [REDACTED] gave me the name of [REDACTED] as the man who normally goes to the NSC briefings with Mr. Dulles.

25X1A

25X1A I instructed [REDACTED] to meet [REDACTED] here at [REDACTED] no later than 8:30 tomorrow morning and the two of them will take the charts over in Ted's car. The charts will be available as early as 8:00.

25X1A

25X1A Both [REDACTED] will take these charts to the Cabinet Room and wait until you and Mr. Dulles appear.

I have laid on the arrangements with Colonel Goodpaster for both of them to be admitted through the West Basement Entrance--no problem in them going to Cabinet Room.

25X1A Both [REDACTED] will wait until after the briefing and return the charts to [REDACTED]
